

KING FOR ALL #23

Luke's Gospel

Mission

Luke 10: 1-24

A. DISCUSSION STARTER

Share a significant opportunity you've had to share Christ recently.

What do you think keeps us from sharing Christ?

B. FROM THE BIBLE

Identify things from the text that the disciples were to avoid as distractions (v. 4, v. 7).

What are the disciples to consistently do, regardless of whether or not the town receives them? (v. 9, v. 11).

What is the significance of 'Sidon' and 'Tyre' being a part of Jesus' woe against Chorazin, Bethsaida and Capernaum?

What was the highlight of the mission journey for the 72? (v. 17). Should it have been?

What does it mean when Jesus says, "to whom the Son chooses to reveal him." (v. 23)

C. IMPLICATIONS FOR ME

How often should Christians pray for missions and ministry, both for their own personal evangelism and the reaching of the nations?

What habits help you pray more often?

What things are you tempted to rejoice in, instead of having “your names written in heaven”?

Has Jesus revealed himself to you?

D. PRAYER SUGGESTION

Please pray for our Young Adults, especially for their Weekend away from 18-20 October. May it be a great time of fellowship and spiritual growth.
