Lord thank you:

1. That it's not about being 'good enough', but about repenting and turning to you.
2. That you accept *all* people who repent.
3. That you have given us grace.

Help me to:

4. Steer away from a desire to please you with my good works, and trust in you.
5. Have the right perspective as I mourn over the loss in severe tragedies.
6. To share the Gospel with those in need.
