3. Accept sinners regardless of who they are.

#### **For our Church**

Please pray for our Church Care team who support those in our church family who are sick, bereaved, or in need. May they share the love of the Lord in practical ways.

#### **For our Gospel partners**

Please pray for Basil and Sally Ramos from our partner church Trinity in Mitchells Plain. May the Lord strengthen them as they serve in ministry and seek to care for the less fortunate. May the Lord provide for their feeding scheme that supports many in the community.
